

Buxom Green Tee

5-1-1

Guaranteed Analysis

Total Nitrogen (N)	5%
5% Nitrate Nitrogen	
Available Phosphate (P ₂ O ₅)	1%
Soluble Potash (K ₂ O).....	1%
Calcium (Ca)	5%

Product Information: Buxom Green Tee is an advance turf product combining nutrients needed most by grass with complex carbohydrates. These complex carbohydrates help regulate soil moisture and nitrogen while simultaneously feeding soil biology

Directions for Use: Apply 16-32 ounces per 1,000 sq feet. This product is designed to work in combination with International Ag Labs Micro-Turf within the context of a complete soil program.

Performance: There are no warranties of performance, expressed, or implied. IAL has no control over the user's storage, handling or product application conditions. IAL shall not be liable for damages of any kind from the presence or use of this product.
